

Coffee Merchandising Made Easy

Merchandise your coffee program with the new BUNN Brew Station.

This merchandising system provides your coffee program with the flexibility to configure your offerings for maximum profits.

The 10.5" wide brewer bay can accommodate a variety of BUNN brewers including the new SmartWAVE®, AutoPod™, and My Cafe®, while pull-out drawers, cup holders and optional racks complete the product offering. Providing your customers with easy access to a great cup of coffee and accompaniments.

The BUNN Brew Station is the perfect way to promote your coffee program.
