

Features

Iced Tea Brewer

- Brews 16.3 gallons per hour from real tea leaves.
- Patented iced tea brewer generates top profits through large volume sales.
- Meet your volume needs; brews 3 gallons of iced tea per batch - 6 gallon capacity.
- Serve one side while brewing the other for continuous service applications.
- Site gauges for product management.
- Tea leaves are steeped, not brewed, in near boiling water for perfect flavor extraction.
- International electrical configurations available.
- UL listed. NSF approved.
